

Kansas City Engineer's Week, sponsored by KC Business Journal - 2013

Judy Company was featured on the front page insert of the Kansas City Business Journal. Engineer's Week profiles local Kansas City companies in the engineering business.

Articles were submitted from several companies and Judy Company's was selected as the best by a panel of local experts. We're proud to be featured among some of the biggest engineering companies in Kansas City and the nation.

Wolf Creek Dam and Lake Cumberland was listed as one of the U.S. Army's top priorities. The Judy Company performed the work to help repair limestone strata.

From Bagnell to Weathersford
Local KC Company Has a Niche in the Dam Business
